

Charles R. Everett, Jr.

Mr. Everett is the Deputy Director, Aviation and General Manager of JFK for the Port Authority of New York and New Jersey. In this dual role he provides oversight to an executive management team of 13 senior staff members and nearly 1,500 employees, who operate a five-airport system, including John F. Kennedy International, Newark-Liberty International, LaGuardia, New York Stewart International and Teterboro Airports. He assists in leading all aspects of airport operations, maintenance, commercial activities, redevelopment, financial services, safety, strategy, business performance and customer experience.

Mr. Everett is a Certified Member of the American Association of Airport Executives, a Certified Management Consultant by the Institute of Management Consultants USA, Past President of the New York Aviation Management Association, and a former member of the Board of Directors of Airports Council International - North America.

Mr. Everett was employed by various engineering, management consulting firms and municipal organizations involved with planning, operations and development of aviation and transportation infrastructure. He is also a retired officer of the U.S. Air Force Reserve with a military specialty in Logistics.

Mr. Everett received a Bachelor's degree in Urban Studies, with a concentration in Transportation Planning, from the College of Arts & Sciences of the University of Pennsylvania. He is currently completing a Master of Business Administration degree from the University of Cumbria.
